

Loss in the Workplace

Loss and grief will inevitably affect all workplaces.

Planning for grief and loss enables a workplace to offer compassionate support to employees during difficult times while maintaining workplace productivity.

In this in-person course we will:

- Take an in-depth look at the nature of grief.
- Develop practical tools for effective management in crises and high stress periods.
- Learn to anticipate the challenges that accompany loss in the workplace.
- Consider what supports are possible and appropriate in your unique work environment.
