

Grief and the Frontline Professions

Many jobs that involve helping others also often involve loss and grief.

The way we respond to grief directly impacts the quality and sustainability of our work.

This two day workshop offers:

- An in-depth look at how we grieve
- Skills and resources for supporting others through difficult times
- Practical tools for reducing stress and finding balance in your professional life
- Practices to feel renewed and better able to support yourself, your co-workers and your clients

Who should attend?

Outreach workers, nurses, social workers, teachers, therapists, NHAs, counsellors, RCMP, child care workers, EMS staff, FN Health workers, and other caregivers.

What's Included?

2 days of training, 2 lunches, 4 snacks and a Healing Touch mini-session.
